organization, bending all his powers for years, without scruple, and using every artifice to climb into the Presidency by the most tortuous course, and reckless means-playing upon the stupidity of the ignorant, the passions of the reckless, the prejudices of the unreasoning, the cupidity of the slave trader, and the "negro-phobia" of those who rejoice in the Dred Scott Decision, as their claim to a superiority over "Cuffee"-filling the land with strife and confusion, that in the whirl of the storm he might reap the prize. While on the other hand is Lincolnplain, unassuming, upright and straightforward-never dodging a question, or presenting a double face in his life-the integrity of his heart ultimating itself in all his actions, winning for him the title of "Honest Old Abe," pursuing the even tenor of his way without an ambitious aspiration, or an appeal to any interest for place or promotion. Such is the position of these two men, when the country finds itself in the throes of a coming crisis, and is looking out for the wise statesman whose calm head, and patriotic heart, and steady hand, can guide her safely through the threatening danger. At this hour of interest to the sonal one, and that the whole course of people—of trial to their institutions, Douglas steps forward and demands the highest office in the gift of the people people, deceived by the cunning devices the party which has supported him-will resorted to to hide the real purpose of the rock the country to its foundation, and confound, with greater confusion, the discord already too madly raging. They plainly see that the hypocrisy and fraud of the past has not sustained the party-has, in fact, been the cause of its utter overthrow. They see that the people will have fair dealing, and cannot be permanently cheated-that a temporary triumph, won, as was the elections of Pierce and Buchanan, by the most bare-faced swindling of the honest voters, must, in the end, arouse the indignation of the people, and work the overthrow of the dishonest leaders. They see that these means have hopelessly demoralized the party in the North, and that present success is impossible But, with fifteen Slave States as a basis for the sconstruction of the party, they think that by taking a bold and fearless stand with the South, in favor of slavery, and its extension into the Territories, they will be able to gather to their standard in the Free States, all the pro-slavery sentiment still lurking in the scattered fragments of the old parties, and will secure the votes of most of the Democrats, thus building up a formidable party which shall be a unit in sentiment in favor of slavery, North and South, as the Republicans are in favor
